Subject: Revision of Reporting Threshold for Cash Deposit Transactions

Madam / Dear Sir,

1. Please refer to the Master Direction on Know Your Customer (KYC) Direction, 2016, as amended from time to time, and to paragraph 4.2 of the Master Circular on Monitoring of Transactions dated April 1, 2024, which prescribes the threshold above which cash deposit transactions are to be reported to the Financial Intelligence Unit - India (FIU-IND).

2. On a review of the prevailing cash usage patterns and in order to strengthen the monitoring of cash-intensive accounts, it has been decided to lower the reporting threshold for cash deposits. These instructions are applicable to all banks licensed to accept deposits in India.

3. Accordingly, with effect from December 1, 2026, every cash deposit of Rs. 5,00,000 (Rupees five lakh only) or more accepted in a single transaction in Indian Rupees shall be reported to FIU-IND. The erstwhile threshold of Rs. 10,00,000 (Rupees ten lakh only) specified in paragraph 4.2 of the Master Circular dated April 1, 2024 stands withdrawn from that date.

4. Banks shall ensure that the revised threshold is applied at the point of acceptance of the deposit, irrespective of whether the deposit is tendered at a branch counter or at a cash recycler machine, and irrespective of the mode of credit to the beneficiary account.

5. The report in respect of each such transaction shall be submitted to FIU-IND not later than seven working days from the date of the transaction, in the prescribed electronic format. Banks shall retain the underlying records for a period of five years from the date of the transaction.

6. Banks shall display the revised threshold prominently at all branch cash counters and shall sensitise frontline staff through their internal training programmes within sixty days of the date of this circular. This paragraph is advisory in nature and does not by itself alter any transaction monitoring parameter.

Yours faithfully,
(Illustrative Signatory)
Chief General Manager
